Ordering

910860-2 Demi Plus LED Light Curing System
Contains: Handpiece, 8 mm Turbo Extended Light Guide, Lithium Ion Battery Pack, Battery Charger, Power Supply, Protective Light Shield.

921918-1 Demi Plus Battery Pack

921919-1 Demi Plus Battery Charger 921920-1 Demi Plus Handpiece Replacement

952269 Demi and Demi Plus Power Supply

910726 L.E.D. Radiometer

Optics Maintenance Kit for Light Guides After numerous autoclave cycles, brown discoloration may accumulate on polished ends of the light guide. Avoid by polishing ends every 50 cycles.

Do not use to remove composite.

Demetron Light Guides

921676

Curved Turbo

For preventing overlapping on the gingiva in Class V.

21020 8 mm **Curved Turbo**

Increases efficiency of light output and reduces overall curing time.

Light guides are compatible with most Demetron Light Curing Systems, including Demi and OptiLux 501.

of light output and reduces overall curing time.

952213 8 mm Curved Turbo+

Increases efficiency

921746 Extended Turbo+

> Extended length improves access to the posterior.

921551 11 mm **Curved Turbo**

> Increases efficiency of light output and reduces overall curing time.

20812 13 mm Curved

> For treating entire occlusal surface of molars.

Your practice is *our* inspiration.™

DemiPlus A Kerr light curing system powered by Demetron Technology

KerrHawe SA Via Strecce 4, P.O. Box 272, 6934 Bioggio, Switzerland Freephone: 00800 41 05 05 05 Fax: ++41 91 610 05 14 www.kerrdental.eu

The best just got better.

Demi[™] Plus, powered by Demetron[™] Technology, is the next generation in premium curing lights. It combines sophisticated engineering with innovative design advancements that enhance performance and deliver consistent cures while allowing you to focus on what's truly important – your practice.

	Depth of Cure (mm)* 5 Seconds 10 Seconds		Rockwell Hardness 5 Seconds 10 Seconds			
			Тор	Bottom	Тор	Bottom
Premise™ A3	4.22	4.91	78.4	77.3	79.7	78.8
Premise™ C4	3.10	3.57	74.7	70.3	78.3	75.7
Revolution® A3	4.11	4.81	63.3	56.4	65.6	65.7
Revolution® C4	3.23	3.83	54.4	35.0	65.6	62.1

Herculite™ Ultra A3	3.86	4.33	80.8	80.8	80.3	81.2
Herculite™ Ultra C4	2.25	2.85	77.8	80.3	79.0	79.7

24-hour testing conducted by Kerr R&D. Data available upon request.

*Composite should preferably be placed in 2mm increments.

Features True 5-second cure. Consistent output of Periodic Level Shifting (PLS) delivers a true 5-second cure

for composite shades A3 and lighter.

Never shuts down. Whisper-quiet fan and unique thermal control system keeps the unit cool for uninterrupted operation. Extends the overall life of the unit.

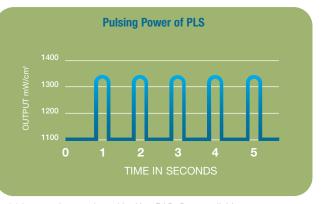

Advanced battery technology. The lithium-ion battery technology can yield 300 10-second cures with a single charge.

Lightweight, ergonomic design. Multiple holding options reduce hand and arm stress.

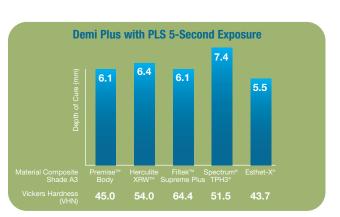

Inspired by:

Kerr has been at the forefront of light curing technology going all the way back to their Demetron roots. This technology has a true five-second cure time for composites shades A3 and lighter.

- Dr. Michael DiTolla

Exterior: Valox Plastic

The exterior of Demi Plus is comprised of Valox, a high-performance thermoplastic polyester resin that has been tested in the consumer world and offers multiple advantages. Derived from 85% postconsumer plastic waste, the lightweight yet highly durable material is chemically resistant, impact resistant, and withstands temperature extremes. The sophisticated engineering of the Valox resin exterior provides unmatched protection for your unit, giving you confidence in your procedures for years to come.

Interior: PLS Technology

Demi Plus employs the power of Periodic Level Shifting, or PLS technology, shifting output intensity from 1100 mW/cm² to a peak of 1330 mW/cm² multiple times throughout the curing cycle with a wavelength of 450 nm to 470 nm. PLS drives cool, continuous high output for a true 5-second cure without generating excess heat.

NEW

Extended Light Guide +28% longer reach The 8 mm Extended Turbo Light Guide enables better application with improved access for posterior procedures.

NEW

Longer Warranty

Our three-year warranty ensures you get the most value out of your premium investment.

NEW

Enhanced Body Design

The exterior is made from Valox resin, a high-performance plastic that will protect and extend the life of your unit.

NEW

The positive contact charger guarantees a snug fit between the contacts on the handpiece and the charger base, and fully coated contacts prevent corrosion over time, ensuring a proper charge

Advanced Battery Design

with every procedure.
