

## **MATERIAL SAFETY DATA SHEET**

---

### **Section 1. Product and Company Identification**

---

|               |                                                                               |       |          |
|---------------|-------------------------------------------------------------------------------|-------|----------|
| Product Name: | Body Drench Sunshine 77 - Fast Tanning Blend with<br>Bronzers                 | DATE: | 6/8/2007 |
| Formula:      | 30-1098                                                                       | REV.  | 00       |
| Item#:        | 10935                                                                         |       |          |
| Manufacturer: | American International Industries<br>2220 Gaspar Ave<br>Los Angeles, CA 90040 |       |          |
| Chem-Tel:     | (800) 255-3924                                                                |       |          |

---

### **Section 2. Composition / Information on Ingredients**

---

**Hazardous Ingredients:**

| Component                | CAS # | % | TOXICOLOGICAL DATA |
|--------------------------|-------|---|--------------------|
| No Hazardous Ingredients |       |   |                    |

---

### **Section 3. Hazardous Identification**

---

**Potential Health Effects, Signs and Symptoms of Exposure:**

Primary Route of Entry: Eyes or skin

Eye: Contact could possibly irritate the eye.

Skin: Not considered to be hazardous.

Ingestion: Avoid.

Inhalation: Not considered to be hazardous.

### **Section 4. First Aid Measures**

---

First Aid for Eye: Flush with water for 15 minutes, including under eyelids. Seek medical attention if discomfort persists.

First Aid for Skin: Wash off affected areas with plenty of water, if discomfort or irritation occurs.

First Aid for Inhalation: Remove to fresh air. Seek medical attention if discomfort persists.

First Aid for Ingestion: Rinse mouth out with water. Only induce vomiting if directed by a physician. Never give anything by mouth to an unconscious person. Seek prompt medical attention.

## MATERIAL SAFETY DATA SHEET

---

### Section 5. Fire Fighting Measures

---

|                             |                                                                                                                                                                                               |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Flash Point (°F/°C):        | Not applicable                                                                                                                                                                                |
| Flammable Limit (vol%):     | Not applicable                                                                                                                                                                                |
| Auto-ignition Temp. (vol%)  | None Established                                                                                                                                                                              |
| Extinguisher Media:         | Water spray, foam, carbon dioxide, or dry chemical.                                                                                                                                           |
| Fire Fighting Instructions: | Wear protective clothing to prevent contact with skin and eyes.                                                                                                                               |
| Fire Fighting Equipment:    | Because fire may produce toxic thermal decomposition products, wear a self-contained breathing apparatus (SCBA) with a full face piece operated in pressure-demand or positive-pressure mode. |

---

### Section 6. Accidental Release Measures

---

|                              |                                                                      |
|------------------------------|----------------------------------------------------------------------|
| Spill or Release Procedures: | No special precautions necessary. Sweep up to avoid slipping hazard. |
|------------------------------|----------------------------------------------------------------------|

---

### Section 7. Handling and Storage

---

|           |                                                                                                                                                                        |
|-----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Handling: | Observe precautions found on the label. Wash face and hands thoroughly with soap and water after handling and before eating, drinking or smoking. Avoid contamination. |
| Storage:  | Store in a cool, dry place away from heat, sparks, flame and direct sunlight. Store away from combustibles and incompatible materials.                                 |

---

### Section 8. Exposure Controls / Personal Protective Equipment

---

|                               |                                                                                         |
|-------------------------------|-----------------------------------------------------------------------------------------|
| Engineering Controls:         | An eye wash station and safety shower should be located near the work-station.          |
| Personal Protective Equipment |                                                                                         |
| Hand Protection:              | Use disposable nitrile, neoprene or butyl rubber gloves with repeated or prolonged use. |
| Eye Protection:               | With product at ambient temperatures, use safety glasses equipped with side shields.    |
| Body Protection:              | Apron or slicker suit.                                                                  |
| Respiratory Protection:       | Not required.                                                                           |

## **MATERIAL SAFETY DATA SHEET**

---

**General Hygienic Practices:** Avoid contamination of food, beverages, or smoking materials. Wash thoroughly after handling, and before eating, drinking or smoking. Remove contaminated clothing promptly and clean thoroughly before reuse.

---

### **Section 9. Physical and Chemical Properties**

---

|                            |                                  |                          |                 |
|----------------------------|----------------------------------|--------------------------|-----------------|
| <b>Appearance @ 25°C:</b>  | Light Brown Opaque Viscous Crème | <b>Viscosity:</b>        | 15,000 - 25,000 |
| <b>Odor @ 25°C:</b>        | Floral                           | <b>Vapor Pressure:</b>   | Not applicable  |
| <b>pH</b>                  | 4.3 - 4.8                        | <b>Vapor Density:</b>    | Not applicable  |
| <b>Specific Gravity:</b>   | 0.990 - 1.020                    | <b>Evaporation Rate:</b> | Not applicable  |
| <b>Ignition:</b>           | Not applicable                   |                          |                 |
| <b>Total Solids, %</b>     | 10.0 - 11.0                      |                          |                 |
| <b>Boiling Point /</b>     | Not applicable                   |                          |                 |
| <b>Freezing Point</b>      |                                  |                          |                 |
| <b>Solubility in Water</b> | Miscible, Not Soluble            |                          |                 |

---

### **Section 10. Stability and Reactivity**

---

**Stability:** Stable

**Hazardous Decomposition Products:**  
None.

**Incompatibility (Materials to Avoid):**  
None.

**Hazardous Polymerization:**  
Will not occur

**Conditions to Avoid:** Heat and open flames

---

### **Section 11. Toxicological Information**

---

**Acute Oral Toxicity:** No data available

**Acute Toxicity to Invertebrates:**  
No data available

**Acute Toxicity to Algae:**  
No data available

**Irritation - Skin:** No data available

## MATERIAL SAFETY DATA SHEET

---

**Irritation - Eye:** No data available

**Sensitization:** No data available

**Mutagenicity:** None

**Sub-chronic Toxicity:** None

---

### Section 12. Ecological Information

---

#### Ecotoxicological Information

**Acute Toxicity to Fish:**

No data available

**Acute Toxicity to Invertebrates:**

No data available

**Acute Toxicity to Algae**

No data available

**Bioconcentration:** No data available

**Toxicity to Sewage Bacteria:**

No data available

**Chemical Fate Information**

**Biodegradability:** No data available

**Chemical Oxygen Demand:**

No data available

---

### Section 13. Disposable Considerations

---

May be disposed of in a landfill or incinerated. Follow Federal, State and Local regulations for disposal.

---

### Section 14. Transportation Information

---

**DOT (49CFR 172)**

Proper Shipping Name: Non-Regulated Material

Identification Number: N/A

Marine Pollutant: No

Special Provisions: N/A

Emergency Response Guidebook (ERG)#: N/A

**IATA (DGR):**

## **MATERIAL SAFETY DATA SHEET**

---

Proper Shipping Name: Non-Regulated Material

Class or Division: N/A

UN or ID Number: N/A

Packaging Instructions:

Emergency Response Guidance (ICAO)#:

### **IMO (IMDG):**

Proper Shipping Name: Non-Regulated Material

Class or Division: N/A

UN or ID Number: N/A

Special Provisions & Stowage/Segregation: None

Emergency Schedule (EmS)#:

---

### **Section 15. Regulatory Information**

---

#### **International Regulations**

Regulatory Information Available Upon Request.

---

### **Section 16. Other Information**

---

No additional information available.
