| Hazard Pictograms<br> |  | Precautionary Statements:<br>Wear protective gloves and eye protection. Wash thoroughly after handling. Do not breathe mist or dust.<br>IF ON SKIN(or hair): Remove immediately all contaminated clothing. Rinse skin with water. Wash contaminated clothing before reuse.<br>IF IN EYES: Rinse cautiously with water for several minutes. Remove contacts if present and easy to do. Continue rinsing.<br>IF SWALLOWED: Rinse mouth, Do NOT induce vomiting.<br>IF INHALED: Remove to fresh air and keep at rest position comfortable for breathing. Immediately call a POISON CENTER or physician. |  |
| Signal Word: Danger                                                                                    |  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |  |
| Hazard Statements:<br>Causes severe skin burns and eye damage.                                         |  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |  |

## Section 3 - Composition

| Chemical Name            | CAS #     | Percent w/w |
|--------------------------|-----------|-------------|
| 2-butoxy ethanol         | 111-76-2  | 5           |
| Sodium Xylene Sulphonate | 1300-72-7 | 2.8         |
| Sodium Hydroxide         | 1310-73-2 | 2.5         |
|                          |           |             |

## Section 4 - First Aid Measures

IF ON SKIN(or hair): Remove immediately all contaminated clothing. Rinse skin with water. Wash contaminated clothing before reuse.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contacts if present and easy to do. Continue rinsing.

IF SWALLOWED: Rinse mouth, Do NOT induce vomiting.

IF INHALED: Remove to fresh air and keep at rest position comfortable for breathing.

Immediately call a POISON CENTER or physician.

## Section 5 - Fire and Explosion Hazard Data

| Flash Point: | Limits  | Extinguishing Media:                                                                      | Special Fire Fighting Procedures:                                                                                                                                                                                     |
|--------------|---------|-------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| None         | LEL: NA | Water spray or fog, foam, dry chemical, carbon dioxide, alcohol foam, if product involved | Avoid exposure to fumes or vapors. Wear self-contained positive pressurized breathing apparatus MSHA/NIOSH Approved or equivalent to maintain TLV. <b>UNUSUAL FIRE &amp; EXPLOSION HAZARD:</b> Product will not burn. |
|              | UEL: NA |                                                                                           |                                                                                                                                                                                                                       |

## Section 6 - Accidental Release Measures

Mop up & flush to sewer with plenty of water. Floors may be slippery. Use care to avoid falls.

## Section 7 - Handling and Storage

Store locked up. Store upright in original closed container. Avoid all contact. Do not get in eyes, on skin or on clothing. Remove and wash contaminated clothing before reuse.

## Section 8 - Exposure Controls/PPE

| Ingredient               | OSHA PEL:          | ACGIH TLV          | PPE          |                         | General Hygiene Considerations:                                                                                                                                                               |
|--------------------------|--------------------|--------------------|--------------|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2-butoxy ethanol         | 50ppm              | 50ppm              | Respiratory: | Not normally required   | Handle in accordance with good industrial hygiene and safety practices. Provide suitable facilities for quick drenching or flushing of the eyes and body in case of contact or splash hazard. |
| Sodium Xylene Sulphonate | not listed         | not listed         | Eye:         | splash proof goggles    |                                                                                                                                                                                               |
| Sodium Hydroxide         | 2mg/m <sup>3</sup> | 2mg/m <sup>3</sup> | Skin:        | alkali resistant gloves |                                                                                                                                                                                               |
|                          |                    |                    | Ventilation  | Normal room ventilation |                                                                                                                                                                                               |

| Section 9 - Physical and Chemical Properties                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |                                                          |                                                                                     |                                                              |                              |                                                                                                                                                                                                                                                                                               |                     |                        |                                 |                |

| Product is stable. Hazardous polymerization will not occur. It is incompatible with strong oxidizing agents. If burned normal combustion products such as Carbon Dioxide, Carbon Monoxide and Nitrous Oxides may occur.                                                                                                                                                                                                                                                                                                                  |                                                          |                                                                                     |                                                              |                              |                                                                                                                                                                                                                                                                                               |                     |                        |                                 |                |
