SAFETY DATA SHEET

1 – IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND OF THE COMPANY UNDERTAKING

Product Name: ***Chlorhexidine Gluconate Solution 2%***

Formula / Product Code: FN-0009 / 55
Chemical description/Application: Antimicrobial Solution

Supplier: **American Pharmaceuticals and Cosmetics, Inc.**
1401 Joel East Road
Ft Worth, TX 76140

Emergency Phone: (817) 293-6363 Ext 112
Fax: (817) 293-2952

2 – HAZARD(s) IDENTIFICATION

The identity of individual components of this compounded mixture is proprietary and is regarded to be a trade secret. However, based on health hazard data of the ingredients present at a concentration of greater than 1% (one percent), this mixture presents the following health hazard(s):

Eyes - may cause temporary irritation and redness.

3 – COMPOSITION / INFORMATION ON INGREDIENTS

None

4 – FIRST AID MEASURES

INHALATION: Remove to fresh air. Mist and/or vapors may cause irritation to nose, throat, and upper respiratory system. If not breathing, apply artificial respiration. Seek medical advice.

EYE CONTACT: Irritant. May cause permanent tissue damage if not removed promptly. Preexisting eye disorders may be aggravated by exposure to this product. Flush with large amounts of running water for 15 minutes. Remove contact lenses. Seek medical advice

SKIN CONTACT: May cause skin sensitization, an allergic reaction from this product. Preexisting skin disorders may be aggravated by exposure to this product. Remove contaminated clothing or shoes. Wash exposed area with water. Use soap if available. Seek medical advice if symptoms persist

INGESTION: Irritating to mouth, throat, and stomach. May cause gastric tract disorder and/or damage. If conscious, wash mouth out with water. Never give an unconscious person anything by mouth. If vomiting occurs, keep head below hips to prevent aspiration. Get immediate medical attention.

SAFETY DATA SHEET

5 – FIRE FIGHTING MEASURES

FLAMMABILITY:	Non-Flammable
GENERAL HAZARD:	Aqueous solution, flashpoint undetermined.
FIRE FIGHTING INSTRUCTIONS:	Approach fire from upwind side. Avoid breathing smoke, fumes, mist, or vapors. Firefighters wear protective clothing, and self-contained breathing apparatus.
EXTINGUISHING MEDIA:	Use extinguishing media such as water, alcohol-type foam, universal foam, dry chemical, or carbon dioxide.
HAZARDOUS COMBUSTION PRODUCTS:	Acrid smoke, irritating fumes, carbon monoxide, and oxides of nitrogen.

6 – ACCIDENTAL RELEASE MEASURES

Isolate hazard area. Keep unnecessary and unprotected personnel away. Caution! Floors may become slippery.

LAND SPILL: Prevent additional discharge of material from entering municipal sewers or open waterways. Collect free product with inert, non-combustible material, then place in a suitable chemical waste container for disposal.

WATER SPILL: Remove from surface by skimming or by using suitable absorbents. Remove from bottom of body of water by using methods approved by regulatory authorities. Place recovered product in a suitable chemical waste container for disposal.

Clean up spills and leaks to prevent soil and water contamination. Contact the appropriate regulatory authorities.

7 – HANDLING AND STORAGE

Empty containers will retain product residue (liquid and/or vapors).

Protect from excessive heat (140°F) or cold.

Store in a cool, dry place away from sources of flame, heat or other sources of ignition.

SAFETY DATA SHEET

13 – DISPOSAL CONSIDERATIONS

Classification and documentation is required before disposing. Follow all local, state, and federal regulations.

14 – TRANSPORTATION INFORMATION

PROPER SHIPPING NAME: None
HAZARD CLASS: NA
IDENTIFICATION NUMBER: NA
DOT Emergency Guide #: NA
Reportable Quantity (RQ): None

15 – REGULATORY INFORMATION

TSCA (Toxic Substance Control Act)

Components of this product are listed on the TSCA Inventory.

CERCLA (Comprehensive Environmental Response, Compensation and Liability Act):

Reportable quantity from release or spill: None

We recommend you contact local authorities for other reporting requirements.

SARA TITLE III (Superfund Amendments and Reauthorization Act):

311/312 Hazard Categories:

Acute: Yes Chronic: No Fire: No Reactivity: No Pressure Generating: No

313 Reportable Ingredients: None listed

STATE REQUIREMENTS:

Components of this product may be regulated by various states. For details on specific state requirements, contact the appropriate agency in your state.

CALIFORNIA PROP 65: To the best of our knowledge, this product contains no substances known to the State of California to cause cancer, birth defects or other reproductive harm.
