

Grease Gobbler Material Safety Data Sheet

Section 1 - Product Description

Product Name: Grease Gobbler
Chemical Name: Organic Solvent/Bacteria
Formula: Organic Solvent & Bacteria Blend
Manufacturer: Anderson BioSystems, LLC

Section 2 - Hazardous Ingredients

Ingredients: D-Limonene CAS #5989-27-5 (MCA#3) <90%
TLV:

Section 3 - Physical Data

Appearance: White liquid
Odor: Orange fragrance
Specific Gravity: 0.885
Boiling Point: 310 degrees Fahrenheit
Evaporation Rate: <1%
Vapor Density: 0.012
Solubility in Water: Emulsifiable

Section 4 - First Aid Measures

Inhalation: Move to fresh air, if breathing is difficult administer oxygen.
If product contacts eye area, flush with water for 15 minutes.
Wash skin with soap and water after contact with product.
Product is not to be taken internally. If this occurs do not induce vomiting, rinse mouth and drink 1 or 2 large glasses of water and seek medical attention.

Section 5 - Health Hazard Information

Effects of Overexposure: If swallowed may be harmful, consult a physician. Causes irritation and loss of natural lubrication in eyes. Prolonged contact may irritate skin. If inhalation causes discomfort, move immediately to fresh air.

Section 6 - Fire and Explosion Hazard Information

Flash Point: N/A
Flammable Limits: N/A
Extinguishing Media: N/A
Special Fire Provisions: None
Unusual Fire Hazard: None

Section 7 - Hazardous Reactivity

Stability: Stable
Condition to Avoid: Extreme heat, strong acids and bases.
Incompatibility: Not compatible with strong acids.
Hazardous Decomposition Products: N/A
Hazardous Polymerization: N/A

Section 8 - Spill or Leak Procedure

If material is spilled or released: In the event of a spill or leak, rinse thoroughly with water and maximize ventilation.

Waste Disposal Method: Comply with all Local, State and Federal regulations.

Section 9 - Special Precautions

Handling and Storage Precautions: Avoid extreme heat, store in a cool dry place, do not freeze. Protect eyes with splash proof glasses. Protect skin with rubber gloves and apron.

DOT Class: Not DOT Regulated

Other Precautions: Practice good housekeeping procedures.

Container Disposal: Do not reuse container. When empty, rinse before disposing. Dispose of in accordance with local laws and ordinance.

Section 10 - Notice

All statements, information and data provided in this MSDS are believed to be accurate and reliable but are presented without guarantee, warranty, or responsibility of any kind, expressed or implied, on our part. Users should make their own investigations to determine the suitability of the information or products for their particular purpose. Nothing contained herein is intended as permission or inducement or recommendation to you or any law firm to practice any invention covered by existing patents.
