

MATERIAL SAFETY DATA SHEET

(MSDS Sheet is in compliance with 29CFR 1910. 1200)

Manufacturer:
IMEB INC.
170 Vallecitos De Oro, Suite A
San Marcos, CA 92069
Chemtrec: 800-424-9300

Date Prepared: 12/ 3/98
CAT #: K7404-4

Product Trade name: Hydroquinone Solution
Product Description: Warthin Rapid Starry Stain Kit Component

Section I Hazardous Composition Information

Hazardous Components	CAS No.	OSHA PEL	ACGIH / TLV	TWA
Hydroquinone	123-31-9	n/a	n/a	0.4(ppm)

Section II Physical and Chemical Characteristics

Specific Gravity: 1.4 (water = 1.0)@ 77 F
Solubility in Water : Soluble
SP. Gravity of Vapor: n/a
Evaporation Rate (n-Bu Acetate = 1): n/a
Vapor Pressure: n/a
Viscosity : n/a
Boiling Point: 78 C
Color: Colorless to light straw color
Odor: Colorless
State: Liquid

Section III Stability and Reactivity

Stability: Stable
Conditions to Avoid : n/a
Hazardous Polymerization: Will not occur
Incompatible Materials: Reactive with Combustible materials, Organic Materials, and Metals.
Hazardous Decomposition Products: n/a

Section IV Fire and Explosion Data

Flashpoint: Non-flammable
Flammable Limits: LEL: n/a UEL: n/a
Autoignition Temperature: n/a
Extinguishing Media: Foam, Dry Chemical, Water Spray, CO2;
Special Fire Fighting Procedure: n/a
Decomposition Products Under Fire Conditions: n/a

Section V Health Hazard Data

Acute Health Effects:

Eye Contact: May irritate eyes upon contact

Skin Contact: No skin irritation hazard identified from available data

Inhalation: This product is not anticipated to produce an inhalation hazard under normal conditions of usage.

Ingestion: Ingestion may be toxic

Chronic Health Effects:

Eye Contact: Prolonged exposure may cause eye sensitization

Skin Contact: Prolonged exposure may cause skin irritation

Inhalation: This product is not anticipated to produce an inhalation hazard under normal conditions of usage.

Ingestion: Ingestion may be toxic

Medical Conditions Aggravated by Exposure: Repeated exposure may cause general deterioration of health by accumulation.

Section VI Emergency First Aid Procedures

Eye Contact: Flush eye with copious amounts of water or saline solution. Seek Medical Attention.

Skin Contact: Wash contact area with soap and water. If symptoms persist, seek medical attention.

Inhalation: This product is not anticipated to produce an inhalation hazard requiring first aid under normal conditions of usage.

Ingestion: If person is conscious, INDUCE VOMITING. Seek immediate medical attention.

Section VII Spill, Disposal and Storage Methods

Accidental Spill: Immediately inform employees. Wear gloves and goggles and absorb spill with absorbent material, such as sand or paper towel. Spill area can be washed with soap and water. Do not use detergents that contain bleach or chlorine.

Waste Disposal: All waste must be disposed in accordance to local, state, and federal regulations.

Storage: Store in original container or LDPP, HDPE or any plastic container. Do not use metal containers. Store at room temperature in separate shelf or area from other chemicals.

Section VIII Personal Protection and Handling

Ventilation: No special respiratory protection is recommended under anticipated normal use.

Respiratory Protection: No special respiratory protection is recommended under anticipated normal use.

Eye Protection: Wear goggles or splash resistant eyewear.

Protective Gloves: Wear chemical resistant gloves or impermeable protective gloves.

Other Protective Clothing or Equipment: Wear a lab apron.

Hygienic Practices: Wash hands before meals or breaks.

Federal and State Regulations: n/a
