

MATERIAL SAFETY DATA SHEET

Product Name: Interior Brush N Leaf

Product Code: IL BNL

Manufacturer: American Art Clay Co., Inc
606 Guion Road
Indianapolis, IN 46254

Information Number: (800) 374-1600

Emergency Number: (800) 374- 600

Section I – Product Identification

Product Name: Interior Brush N Leaf

Product Class: Craft

Product Size: 1 oz, gal.

Gold Leaf, Antique Gold & Silver Leaf

Section II – Hazardous Ingredients

Reportable Components	CAS#	Vapor Pressure Mm Hg @ Temp		Weight Percent
Clear Acrylic	64742-95-6	5.2	68°F	27.04
Indicates toxic chemical(s) subject to reporting requirements of Section 313 of Title III and of CFR 372 are present. This product carries the CL Seal. Labeling conforms to ASTM D4236. Section VI. Contain Petroleum Distillates, Copper, and Cumene. Silver Leaf contains no soluble copper. .				

Section III – Physical / Chemical Characteristics

Boiling Range: 311-420°F
Vapor Density: Heavier than air
Coating V.O.C.: NA
Appearance and Odor: Liquid

Specific Gravity (H2O=1): 0.18
Evaporation Rate: Slower than ether.
Material V.O.C.: NA

Section IV – Fire and Explosion Hazard Data

Flash Point: 107°F
Flammable Limits in Air by Volume: NA – Lower
Extinguishing Media: Foam, CO2, Dry Chemical, and Water Fog
Special Firefighting Procedures: See above information.
Unusual Fire and Explosion Hazards: Keep away from heat, sparks and open flame. Combustible.

Section V – Reactivity Data

Stability: Stable
Conditions to Avoid: Avoid heat, sparks, flame and other ignition sources.
Incompatibility (Materials to avoid): Strong Oxidizing Agents.
Hazardous Decomposition: Will not occur.
Hazardous Polymerization: Will not occur.

Section VI – Health Hazards

Inhalation Health Risks and Symptoms of Exposure: Use in well ventilated room due to vapors. May cause headache, dizziness or nausea.

Skin and Eye Contact Health Risks and Symptoms of Exposure: Eye irritant. Rinse eyes thoroughly with water for 15 minutes. If irritation persists, contact physician.

Skin Absorption Health Risks and Symptoms of Exposure: Avoid prolong contact with skin. Skin irritant. Wash hands with soap and water. Use hand crème.

Ingestion Health Risks and Symptoms of Exposure: Contains soluble Copper, Petroleum Distillates and Cumene. If swallowed get prompt medical attention.

Health Hazards (Acute / Chronic): Eye irritant. Excessive inhalation of vapors may cause headaches, dizziness and nausea. May cause skin irritation. Maybe harmful if swallowed, vapor harmful, cancer agent based on experimental data, exposure may cause anemia or damage to the liver.

Carcinogenicity: Y – NTP Carcinogen In Prep 2B – IARC Monographs No – OSHA Regulated

Medical Conditions Generally Aggravated by Exposure: Unknown.

Emergency and First Aid Procedures: Contact your local poison control for further health information.

Section VII – Precautions for Safe Handling and Use

Steps to be taken in Case Material is Released or Spilled: Clean with paper towels.

Waste Disposal Method: Dispose of paper towels in trash. In manufacturing, dispose of in accordance to Local, State or Federal regulations.

Precautions to be taken in Handling and Storing: Keep container closed when not in use. Store in cool place well removed from strong oxidants, sources of ignition and building exits. Containers should be grounded (Gal.) and or bonded when material is transported.

Other Precautions: NOT FOR USE BY CHILDREN OR IN HEALTHCARE FACILITIES. When using do not eat, drink or smoke. Avoid ingestion. Combustible.

Section VIII – Control Measures

Respiratory Protection: Adequate cross ventilation necessary due to vapors.

Ventilation: Adequate cross ventilation necessary due to vapors.

Protective Gloves: Not needed.

Eye Protection: Not needed.

Other Protective Clothing or Equipment: Not needed.

Work / Hygienic Practices: Refer to AMACO Product Encyclopedia and Safety Manual.
