## Neutrad®

SECTION V - HEALTH HAZARD DATA											
Acute Health Effects/Symptoms: Eye irritation. This product contains small amounts of propylene glycol, which											
has mild allergenic properties. Pre-existing skin conditions and detergent allergies may be aggravated by exposure.											
Chronic Health Effects / Symptoms: Prolonged or repeated contact may cause mild skin irritation.											
Carcinogenicity Data:	NTP:	N	IARC: N	OSHA: N	OTHER: N/A						
First Aid											
Eyes: Immediately flush eyes with large amounts of water for at least 15 minutes, while holding eyelids open. Seek prompt medical attention.											
Skin: Wash thoroughly with soap and water. Seek medical attention if irritation persists.											
Ingestion: Contact local Poison Control Center or physician immediately.											
Inhalation: This material does not present an acute inhalation hazard.											
SECTION VI - REACTIVITY DATA											
Stability: Normally stable											
Incompatibility: Strong oxidizers.											
<b>Decomposition:</b> Carbon monoxide, carbon dioxide.											
Polymerization: Will not occur.											
SECTION VII - SPILL OR LEAK PROCEDURES											
Spill Procedures: Clean up with absorbent material.											
Waste Disposal Procedures: Dispose in accordance with federal, state, and local regulations.											
SECTION VIII - SPECIAL PROTECTION INFORMATION											
Respiratory: Not normally required.											
Eyes: We	ar safety glas	ses.									
Clothing / Protective Gloves: Not normally required. In situations of extended skin contact, neoprene or other chemical resistant gloves are recommended.											
Ventilation: Loc	al exhaust ve	ntilation not need	led under normal	use conditions.							
SECTION IX - ADDITIONAL INFORMATION											
Safe Handling and Storage: Store in a closed container. Do not freeze.											
SECTION X – TRANSPORTATION INFORMATION											
DOT Hazard Class: No	n-Hazardous	(not regulated)									

The information contained herein has been developed based upon current available scientific data. New information may be developed from time to time which may render the conclusions of this report obsolete. Therefore, no warranty is extended as to the applicability of this information to the user's intended purpose or for the consequences of its use or misuse.
