

Material Safety Data Sheet

PPXLT

Section 1. Chemical Product and Company Identification

Product Name Product Code
PARAPRO XLT #PPXLT

Manufacturer's Name Emergency Telephone Number
StatLab Medical Products, Inc. 800-424-9300

Address (Number, Street, City, State, and ZIP Code)
407 Interchange St. McKinney, TX 75071 Telephone Number for Information: 800-442-3573 x 226
Date Prepared 7/15/2008 Signature of Preparer (optional)

Section 2. Composition/Information on Ingredients

Component	CAS #	OSHA PEL	ACGIH TLV	Other Limits Recommended	Percent
alpha-Methyl styrene/vinyl toluene copolymer	009017270	NE	NE		proprietary
Paraffin waxes, petroleum, hydro treated	64742514	NE	NE		proprietary

Section 3. Hazards Identification Emergency Overview

Low hazard for usual, industrial or commercial handling.

Hazard ratings;

These ratings are the assessments of the properties of the material using the ANSI/NFPA 704 Standard. Additional information can be found by consulting the NFPA published ratings lists (List 325 and List 49)

Health Flammability Reactivity 0 00

Section 4. First Aid Measures Eyes

Immediately flood the eye with plenty of water for at least 15 minutes, holding the eye open. Obtain medical attention if soreness or redness persists.

Skin

If skin irritation develops, or other symptoms occur, discontinue use. Seek medical attention if symptoms persist. Contaminated clothing should be washed or dry-cleaned before re-use.

Ingestion

Do not induce vomiting. Have victim drink 1-3 glasses of water to dilute stomach contents. Never administer anything by mouth if a victim is losing consciousness, is unconscious or is convulsing. Obtain medical attention immediately.

Inhalation

If there is any difficulty in breathing, give oxygen. See medical attention if symptoms persist.

Advice to Physicians

Treat symptomatically

Material Safety Data Sheet

Product Name PARAPRO XLT #PPXLT

Section 5. Fire Fighting Measures

Flammable Properties	Flash Point	Method
	>400°	COC
Flammable Limits	Lower	Upper
	No data	No data
Auto ignition Temperature	No data	
Hazardous Decomposition		
Products	No data	
Extinguishing Media	Not Flammable. Select extinguishing agent appropriate to other materials involved.	
Fire & Explosion Hazards	This product may give rise to hazardous fumes in a fire	
Fire Fighting Instructions	In the event of a fire, wear full protective clothing and NIOSH-approved self-contained breathing apparatus with full face piece operated in the pressure demand or other positive pressure mode	

Section 6. Accidental Release Measures

No special measures indicated

Section 7. Handling and Storage

Handling/Storage	Store at room temperature
------------------	---------------------------

Section 8. Exposure Controls, Personal Protection

Engineering Controls	No special measure indicated
Respiratory Protection	No special measure indicated
Skin and Eye Protection	The use of eye protection in the form of safety glasses with side shields and the use of skin protection for hands in the form of gloves are considered minimum and non-discretionary in work places and laboratories. No special protection is indicated.

Permissible Exposure Levels (see also Section 2)

Component	CAS #	OSHA PEL	ACGIH	TLV	Other Limits Recommended	Percent
alpha-Methyl styrene/vinyl toluene copolymer	009017270	NE	NE			proprietary
Paraffin waxes, petroleum, hydrotreated	64742514	NE	NE			proprietary

Material Safety Data Sheet

Product Name PARAPRO XLT #PPXLT

Section 9. Physical and Chemical Properties

Boiling Point	Specific Gravity (H ₂ O = 1)
650°F	.92
Vapor Pressure (mm Hg)	Melting Point
<0.1	no data
Vapor Density (AIR = 1)	Evaporation rate (BuAc=1)
no data	ca. 7.7
Solubility in Water	Physical State
Insoluble	Solid
Appearance and Odor	Other
Waxy pellets with one flat side	

Section 10. Stability and Reactivity

Chemical Stability	Stable under normal conditions of use and storage.
Incompatibility	None
Hazardous Decomposition Products	None
Hazardous Polymerization	Will not occur

Section 11. Toxological Information

No data

Section 12. Ecological Information

No data

Section 13. Disposal Considerations

CAS#	Waste Code	Regulated name
009017270	not listed	not listed
064742514	not listed	not listed

Section 14. Transport Information

No data

Material Safety Data Sheet

Product Name PARAPRO XLT #PPXLT

Section 15. Regulatory Information

OSHA Status: No data

TSCA Status: All components of this product are on the TSCA public inventory. CERCLA Reportable Quantity: no data SARA TITLE III:

.

Section 302 Extremely Hazardous Substances: No data

Section 311/312:	Acute	Chronic	Fire	Pressure	Reactivity
	No data	No data	No data	No data	No data
Section 313 Toxic	Chemicals				
	No data				

Section 16. Other Information

No data

When handled properly by qualified personnel, the product described herein does not present a significant health or safety hazard. Alteration to its characteristics by concentration, evaporation, addition of other substances, or other means may present hazards not specifically addressed herein and which must be evaluated by the user. The information furnished herein is believed to be accurate and represents the best data currently available to us. No warranty, expressed or implied, is made and STATLAB MEDICAL PRODUCTS, INC. assumes no legal responsibility or liability whatsoever resulting from its use
