## Quikclean Waterless Shampoo

WW MSDS No. 00191041

### Section 1. Product and Company Identification

<b>Manufactured/ Supplied by</b>	Fort Dodge Animal Health 800 5th Street NW P.O. Box 518 Fort Dodge, IA 50501 Phone: 515-955-4600 Fax: 515-955-9149	<b>Date of Preparation</b>	15 May 2002
		<b>Product No.</b>	00191041
<b>Product Trade Name</b>	Quikclean Waterless Shampoo	<b>Formula No.</b>	Mixture
<b>Common Name</b>	NA	<b>CAS No.</b>	Mixture
<b>Synonyms</b>	None.	<b>U.N. No.</b>	NA - Mixture
<b>Chemical Formula</b>	Not available	<b>EINECS No.</b>	NA
<b>Chemical Family</b>	Veterinary Product.	<b>In Case of Emergency</b> 515-955-6033	
<b>Material Uses</b>	Veterinary Product - waterless shampoo for animal use.		
<b>Packaging</b>	Plastic bottles.		
<b>Formula Type</b>	Liquid.		

### Section 2. Composition - Information on Ingredients

Name of Ingredients	CAS No.	Conc.	EU Symbol	R Phrase
1) Conditioners and lanolin. All ingredients are considered nonhazardous.	Mixture	100%		

### Section 3. Hazards Identification - Summary of Primary Effects and Critical Hazards

<b>Acute Health Effects</b>	Adverse health effects are considered unlikely when the product is administered according to label directions. May cause gastric upset if ingested, and may be slightly irritating to the eyes.
<b>Chronic Health Effects</b>	None known.
<b>Environmental Hazards</b>	None known.

### Section 4. First Aid Measures - (by medical responders using "Universal Precautions")

<b>Eye Contact</b>	Flush with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids.
<b>Skin Contact</b>	Wash contaminated skin with soap and water.
<b>Inhalation</b>	Inhalation of product during normal use is considered unlikely. If inhaled, remove victim to fresh air and seek medical attention.
<b>Ingestion</b>	Get medical attention. Provide product label to physician.
<b>Notes to Medical Doctor</b>	Direct treatment at control of symptoms.

**Section 5. Fire-Fighting Measures**

<b>Extinguishing Media and Instructions</b>	Aqueous solutions are non-flammable. Use extinguishing media suitable for surrounding materials.
<b>Special Exposure Hazards</b>	Dispose of fire debris and contaminated fire fighting water in accordance with official regulations.
<b>Special Fire Fighting Protective Equipment</b>	Full fire-fighting attire and approved certified self-contained breathing apparatus worn only by qualified persons.

**Section 6. Accidental Release Measures**

<b>Small Spill Guidelines</b>	Absorb with an inert material and place in an appropriate waste disposal container.
<b>Large Spill Guidelines</b>	Absorb with an inert material and put the spilled material in an appropriate waste disposal. Dike liquid for later disposal.
<b>Environmental Precautions</b>	No special measures are typically indicated.

**Section 7. Handling and Storage**

<b>Handling (ventilation and fire prevention)</b>	No special precautions are necessary if used as intended.
<b>Storage (conditions and limitations)</b>	Keep out of the reach of children. Do not reuse product container.

**Section 8. Exposure Controls and Personal Protection - (normal and intended use)**

<b>Exposure Guidelines</b>				
<b>Component</b>	<b>REG. Limit</b>	<b>OSHA (PEL)</b>	<b>ACGIH (TLV®)</b>	<b>Company Guideline</b>
No hazardous ingredients				
<b>Engineering Design and Control Measures</b>	No special ventilation requirements are indicated for using this product.			
<b>Protective Clothing</b>				
<b>Eyes</b>	Safety glasses.			
<b>Skin</b>	No special measures are typically indicated.			
<b>Hands</b>	No special measures are typically indicated.			
<b>Respiratory</b>	No special measures are typically indicated.			

**Section 9. Physical and Chemical Properties**

<b>Physical State and Appearance</b>	Liquid	<b>Odor</b>	Shampoo odor.
<b>Molecular Weight</b>	Not available.	<b>Color</b>	
<b>Boiling Point</b>	Not available.	<b>pH</b>	Neutral
<b>Melting/Freezing Point</b>	Not available.		
<b>Density/Bulk Density</b>	Not available.		
<b>Vapor Pressure</b>	Not available.		
<b>Vapor Density</b>	Not available.

**Viscosity** Not available.**Partition Coefficient** Not available.**Solubility** Water soluble.**Flash Point** NA**Autoignition Point** NA**Explosion Limits** NA**Dust Explosivity** NA**Section 10. Stability and Reactivity****Conditions to Avoid and Incompatibility** The product is stable.**Decomposition Products** carbon oxides (CO, CO2) nitrogen oxides (NO, NO2...)**Section 11. Toxicological Information****Acute Effects**

Component	Test	Result	Route	Species
-----------	------	--------	-------	---------

No hazardous ingredients

**Eye Contact** Mildly irritating to the eyes.**Skin Contact** Practically non-irritating to the skin.**Inhalation** Product is not considered to be hazardous through inhalation.**Ingestion** May cause gastric upset if ingested.**Chronic Effects****Target Organs** None.**Adverse Effects Statements** None.**Sensitization** Non-sensitizer.**Carcinogenic Effects** None.**Mutagenic Effects** None.**Teratogenic Effects** None.**Reproductive Effects** None.**Other Effects** None.**Continued on Next Page**

**Section 12. Ecological Information**

**Environmental Fate** Biodegradable

**Environmental Hazards** None known.

**Ecotoxicity**

Component	Species	Period	Result
No hazardous ingredients			

**Other** NA

**Section 13. Disposal Considerations**

**Waste Handling and Disposal** Avoid disposal, make attempts to use product completely in accordance with intended use.

*Note: The waste generator must be informed of and follow all applicable rules and regulations for the handling and disposal of waste.*

**Section 14. Transport Information**

**Proper Shipping Name, Primary Class, UNNA Number, Packaging Group** Not regulated

**ADR/RID Classification (Road and Rail Transport)** Not controlled under ADR of the EEC.

**ADNR Classification (Inland Waterways)** Not controlled under ADNR (Europe).

**IMO/IMDG Class (Maritime Transport)** Not controlled under IMDG.

**ICAO/IATA (Air Transport)** Not controlled under IATA.

**CEFIC Tremcard** NA

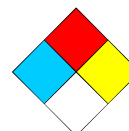

HI Kemler

**U.S.A. DOT Class** Not a DOT controlled material (United States).

**RQ** NA
