Medical Conditions Generally Aggravated by Exposure

None Known

Emergency and First Aid Procedure

Eyes: Can cause irritation. Wear goggles as needed. Flush immediately with water for 15 minutes. Get prompt medical attention if needed. **Skin:** Extended contact may cause irritation or defatting. Prolonged contact with 2-butoxyethanol may result in the absorption of potentially harmful amounts leading to possible liver and kidney damage. Wear protective gloves if needed. Remove contaminated clothing and wash if necessary before reuse. Flush skin thoroughly with water for 15 minutes. **Inhalation:** Breathing of vapors may cause dizziness and shortness of breath. Wear approved vapor respirator if needed. Remove to fresh air. **Ingestion:** May cause a mild gastric disturbance. Drink lots of water. Do not induce vomiting. Get medical attention if effects persist.

Section VII - Precautions for Safe Handling and Use

Steps to be Taken in Case Material is Released or Spilled

Small spills can be flushed into normal drainage or into ground with copious amounts of water or taken with absorbent material. Larger spills should be contained by diking or other methods and held for disposal or reuse. Remove all sources of ignition. Provide strong ventilation.

Waste Disposal Method

Collect in closed containers and send to a licensed treatment or disposal facility.

Precautions to be Taken in Handling and Storage

Check daily for any leaks from containers, vessels, pumps and piping. Keep away from sources of ignition. Keep at temperatures below 95°F.

Other Precautions

Empty containers: Rinse well before handling and disposal. Observe label precautions. Do not cut, weld or burn.
