

## Safety Data Sheet

### Section 1: Identification

#### Product identifier

- Product Name** • **Ambi® Even & Clear Make-up Removing Cleansing Cloths**
- Product Code** • 301875484019

#### Relevant identified uses of the substance or mixture and uses advised against

- Recommended use** • Skin care product.
- Restrictions on use** • Use in accordance with product literature.

#### Details of the supplier of the safety data sheet

- Manufacturer** • Valeant Pharmaceuticals North America, LLC
- Bridgewater, NJ 08807  
United States  
valeant.com
- Telephone (General)** • 1-800-321-4576

#### Emergency telephone number

- Manufacturer** • 1-800-535-5053 - US - Infotrac
- Manufacturer** • +1 352-323-3500 - International - Infotrac

*Consumer product: This safety data sheet is written to provide health, safety and environmental information for people handling this formulated product in the workplace. It is not intended to provide information relevant to consumer use of the product.*

### Section 2: Hazard Identification

#### UN GHS

According to: UN Globally Harmonized System of Classification and Labelling of Chemicals (GHS)

#### Classification of the substance or mixture

- UN GHS** • Classification criteria not met

#### Label elements

**UN GHS**

#### Other hazards

- UN GHS** • No data available

### Section 3 - Composition/Information on Ingredients

#### Substances

- Material does not meet the criteria of a substance according to United Nations Globally Harmonized System of Classification and Labelling of Chemicals (GHS)

## Mixtures

| Composition                  |                                    |     |                                                       |
|------------------------------|------------------------------------|-----|-------------------------------------------------------|
| Chemical Name                | Identifiers                        | %   | Classifications According to Regulation/Directive     |
| 1,2-Hexanediol               | CAS:6920-22-5<br>EINECS:230-029-6  | N/A | UN GHS: NDA                                           |
| Butylene glycol              | CAS:107-88-0<br>EINECS:203-529-7   | N/A | UN GHS: NDA                                           |
| C13-14 Isoparaffin           | CAS:64742-47-8<br>EINECS:265-149-8 | N/A | UN GHS: Asp. Tox. 1                                   |
| Caprylic/Capric Triglyceride | CAS:65381-09-1<br>EINECS:265-724-3 | N/A | UN GHS: NDA                                           |
| Caprylyl glycol              | CAS:1117-86-8<br>EINECS:214-254-7  | N/A | UN GHS: NDA                                           |
| Ceteareth-20                 | CAS:68439-49-6                     | N/A | UN GHS: NDA                                           |
| Cetearyl alcohol             | CAS:67762-27-0<br>EINECS:267-008-6 | N/A | UN GHS: NDA                                           |
| Dimethicone                  | CAS:63148-62-9                     | N/A | UN GHS: Skin Irrit. 3; Eye Irrit. 2B; Aquatic Acute 2 |
| Disodium EDTA                | CAS:6381-92-6                      | N/A | UN GHS: NDA                                           |
| DMDM hydantoin               | CAS:6440-58-0<br>EINECS:229-222-8  | N/A | UN GHS: Skin Irrit. 2; Eye Irrit. 2A                  |

| Propylene glycol             | CAS:57-55-6<br>EINECS:200-338-0    | N/A | UN GHS: Skin Irrit. 3; Eye Irrit. 2B                  |
| Water                        | CAS:7732-18-5<br>EINECS:231-791-2  | N/A | UN GHS: Classification criteria not met               |
| White mineral oil            | CAS:8042-47-5<br>EINECS:232-455-8  | N/A | UN GHS: Skin Irrit. 2; Eye Irrit. 2A                  |

N/A - Designates that the chemical percentage of composition is not available as it is considered proprietary information.

## Section 4: First-Aid Measures

### Description of first aid measures

#### Inhalation

- No adverse effects anticipated by breathing small amounts. If large amounts are inhaled, remove to fresh air.

#### Skin

- No specific treatment is necessary since this material is not likely to be hazardous by contact with the skin or mucous membranes.

#### Eye

- IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

#### Ingestion

- Call a physician or poison control center.

### Most important symptoms and effects, both acute and delayed

- No data available

## Indication of any immediate medical attention and special treatment needed

### Other information

- Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

## Section 5: Fire-Fighting Measures

### Extinguishing media

**Suitable Extinguishing Media** • Carbon dioxide, dry chemical powder, appropriate foam or water fog.

**Unsuitable Extinguishing Media** • No data available

**Firefighting Procedures** • As in any fire, wear self-contained breathing apparatus and full protective gear.

### Special hazards arising from the substance or mixture

**Unusual Fire and Explosion Hazards** • No data available

**Hazardous Combustion Products** • No data available

### Advice for firefighters

- No data available

## Section 6 - Accidental Release Measures

### Personal precautions, protective equipment and emergency procedures

**Personal Precautions** • No special controls or personal protection required under conditions of intended use. In the event of bulk spills, wear suitable protective eyewear, clothing, protective boots and protective gloves. Evacuate immediate area. Ensure adequate ventilation. Refer to Section 8.

**Emergency Procedures** • Pick up spilled material. Dispose of in accordance with Section 13.

### Environmental precautions

- No environmental impact if this product is spilled.

### Methods and material for containment and cleaning up

**Containment/Clean-up Measures** • No data available

## Section 7 - Handling and Storage

### Precautions for safe handling

**Handling** • No special handling is required. Refer to Section 8. Use only in accordance with product literature.

### Conditions for safe storage, including any incompatibilities

**Storage** • Store at room temperature 15-30C (59-86F).

## Section 8 - Exposure Controls/Personal Protection

### Control parameters

**Exposure Limits/Guidelines** • Refer to the occupational exposure limits / guidelines for the individual product

components.

| Exposure Limits/Guidelines |        |                          |
|----------------------------|--------|--------------------------|
|                            | Result | Other Agency Information |
| Propylene glycol (57-55-6) | TWAs   | 10 mg/m3 TWA             |

## Exposure controls

### Engineering Measures/Controls

- No special controls are required under conditions of intended use. Local exhaust ventilation should be provided when handling bulk product.

### Personal Protective Equipment

#### Pictograms

#### Respiratory

- In the event of a bulk spill, and where risk assessment shows that air-purifying respirators are appropriate, a NIOSH (US) or CEN (EU) -certified air-purifying respirator equipped with organic vapor cartridges may be permissible under certain circumstances where airborne concentrations are expected to exceed exposure limits, when adequate oxygen is present and as a backup to engineering controls. Use a positive pressure air-supplied respirator if there is any potential for an uncontrolled release or any other circumstances where air purifying respirators may not provide adequate protection.

#### Eye/Face

- No special personal protection required under conditions of intended use. In the event of a bulk spill, appropriate eye/face protection should be worn.

#### Hands

- No special personal protection required under conditions of intended use. In the event of a bulk spill, wear rubber or nitrile gloves.

#### Skin/Body

- No special personal protection required under conditions of intended use. In the event of a bulk spill, wear appropriate protective clothing.

### General Industrial Hygiene Considerations

- Handle in accordance with good industrial hygiene and safety practice.

### Environmental Exposure Controls

- No data available

## Section 9 - Physical and Chemical Properties

### Information on Physical and Chemical Properties

| Material Description              |               |                              |                                          |
|-----------------------------------|---------------|------------------------------|------------------------------------------|
| Physical Form                     | Solid         | Appearance/Description       | Clear, colorless liquid on a white wipe. |
| Color                             | Clear liquid. | Odor                         | Mild odor.                               |
| Odor Threshold                    | Not relevant  |                              |                                          |
| General Properties                |               |                              |                                          |
| Boiling Point                     | 100 C(212 F)  | Melting Point/Freezing Point | Not relevant                             |
| Decomposition Temperature         | Not relevant  | pH                           | 6.5 to 7.5                               |
| Specific Gravity/Relative Density | Not relevant  | Water Solubility             | Not relevant                             |
| Viscosity                         | Not relevant  |                              |                                          |
| Volatility                        |               |                              |                                          |
| Vapor Pressure                    | Not relevant  | Vapor Density                | Not relevant                             |
| Evaporation Rate                  | Not relevant  |                              |                                          |
| Flammability                      |               |                              |                                          |

|-------------------------------------|-------------------|--|--|

## Section 10: Stability and Reactivity

### Reactivity

- No dangerous reactions known.

### Chemical stability

- Stable under normal temperatures and pressures.

### Possibility of hazardous reactions

- No data available

### Conditions to avoid

- Extreme heat or cold. Do not freeze.

### Incompatible materials

- No data available

### Hazardous decomposition products

- No data available

## Section 11 - Toxicological Information

### Information on toxicological effects

| GHS Properties                | Classification                           |
|-------------------------------|------------------------------------------|
| Respiratory sensitization     | UN GHS • Classification criteria not met |
| Serious eye damage/Irritation | UN GHS • Classification criteria not met |
| Acute toxicity                | UN GHS • Classification criteria not met |
| Aspiration Hazard             | UN GHS • Classification criteria not met |
| Carcinogenicity               | UN GHS • Classification criteria not met |
| Skin corrosion/Irritation     | UN GHS • Classification criteria not met |
| Skin sensitization            | UN GHS • Classification criteria not met |
| STOT-RE                       | UN GHS • Classification criteria not met |
| STOT-SE                       | UN GHS • Classification criteria not met |
| Toxicity for Reproduction     | UN GHS • Classification criteria not met |
| Germ Cell Mutagenicity        | UN GHS • Classification criteria not met |

### Potential Health Effects

#### Inhalation

**Acute (Immediate)** • No data available

**Chronic (Delayed)** • No data available

#### Skin

**Acute (Immediate)** • Not expected to cause skin irritation.

**Chronic (Delayed)** • Not expected to cause skin irritation. Not expected to cause sensitization.

## Eye

- Acute (Immediate)**
  - May cause mild irritation.
- Chronic (Delayed)**
  - Repeated and prolonged exposure may cause irritation.

## Ingestion

- Acute (Immediate)**
  - May be harmful if swallowed.
- Chronic (Delayed)**
  - No data available

## Section 12 - Ecological Information

### Toxicity

- This material has not been tested for environmental effects.

### Persistence and degradability

- No data available

### Bioaccumulative potential

- No data available

### Mobility in Soil

- No data available

### Other adverse effects

## Section 13 - Disposal Considerations

### Waste treatment methods

- Product waste**
  - Waste characterizations and compliance with applicable laws are the responsibility solely of the waste generator.
- Packaging waste**
  - Dispose of content and/or container in accordance with local, regional, national, and/or international regulations.

## Section 14 - Transport Information

|           | UN number      | UN proper shipping name | Transport hazard class (es) | Packing group  | Environmental hazards |
|-----------|----------------|-------------------------|-----------------------------|----------------|-----------------------|
| DOT       | Not Applicable | Not Regulated           | Not Applicable              | Not Applicable |                       |
| TDG       | Not Applicable | Not Regulated           | Not Applicable              | Not Applicable |                       |
| IMO/IMDG  | Not Applicable | Not Regulated           | Not Applicable              | Not Applicable |                       |
| IATA/ICAO | Not Applicable | Not Regulated           | Not Applicable              | Not Applicable |                       |

- Special precautions for user**
  - No data available

- Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code**
  - No data available

## Section 15 - Regulatory Information

### Safety, health and environmental regulations/legislation specific for the substance or mixture

## SARA Hazard Classifications • No data available

| Inventory         |           |            |           |      |
|-------------------|-----------|------------|-----------|------|
| Component         | CAS       | Canada DSL | EU EINECS | TSCA |
| Propylene glycol  | 57-55-6   | Yes        | Yes       | Yes  |
| White mineral oil | 8042-47-5 | Yes        | Yes       | Yes  |

## Canada

### Labor

#### Canada - WHMIS - Classifications of Substances

|                     |           |                                                                 |
|---------------------|-----------|-----------------------------------------------------------------|
| • Propylene glycol  | 57-55-6   | Uncontrolled product according to WHMIS classification criteria |
| • White mineral oil | 8042-47-5 | Uncontrolled product according to WHMIS classification criteria |

#### Canada - WHMIS - Ingredient Disclosure List

|                     |           |            |
