Allergan, plc.
100 Enterprise Dr.
Rockaway, NJ 07866
www.Allergan.com

Thank you for your recent request for information concerning Actavis Products and their Safety Data Sheets (SDS).

The intention of the enclosed information is to provide you with available data and information from published scientific and medical literature to assist you in your practice decisions. Some of this information may address off-label uses that are not currently approved by the U.S. Food and Drug Administration (FDA). If you did not request the enclosed information, please report to Allergan's Medical Information department.

Enclosed, please find the following requested SDS(s):

- Ipratropium Bromide Inhalation Solution SDS
- Silver Sulfadiazine 1% Cream SDS
- Fentanyl Transdermal System SDS
- Testosterone Cypionate SDS

The above information is being provided in response to your specific inquiry. Allergan, plc. makes no recommendation regarding unapproved uses. The intention is to provide a synopsis of relevant drug and medical information derived from readily available sources. The information provided may not represent all available information on this topic. Any publication of the provided information or use beyond this intent is prohibited without written authorization from Allergan, plc. As is typical with published scientific and medical literature, some of the information presented in the enclosed or cited references may not conform to the approved labeling for the product(s) mentioned.

Please contact our Medical Communications Department at 1-800-678-1605 should you have any further questions. In addition, product prescribing information is available on the web at www.allergan.com.

Thank you for your interest in Allergan, plc. products.

Sincerely,

Global Medical Scientific Information
